**Importance:** High

Hello,

Attached are comments, questions, and suggested edits from OMB on our fall 2019 Reg Plan. Please review this document carefully since your program's information will appear throughout the document, starting with the Statement section.

OP needs one set of comments/responses per AAship by **12:00 noon, Monday, Aug. 26**. This ambitious deadline was set by OMB, not OP. Lack of response to a given comment or edit will be interpreted to mean your AAship accepts OMB's change.

I will send out Reg Agenda edits from OMB later today, and note now that those will be done by **COB on Monday, Aug. 26**.
